

## CHURCHES REMEMBERED IN WILL OF THE LATE J. A. POTTER

Donates to the Y. W. C. A., Churches and for other Philanthropic Enterprises in City—Will Is Read at Meeting of Y. W. C. A. Which Discusses Plans for Extension of the Work in City.

A REQUEST of one-sixteenth of the estate of the late J. A. Potter to the building fund of the Young Women's Christian association, was announced at the meeting of the board of directors of the Y. W. C. A., held Thursday in the down town rooms of the association. Mrs. Potter, who

is the sole executrix of the estate, read the part of the will concerning the bequest. One-half of Mr. Potter's estate was willed to relatives and personal friends, one-quarter of the estate to El Paso churches, seven of which are included and one-quarter to local philanthropic institutions. The churches, which will be benefi-

ries of the will are the First Methodist Episcopal church, which will receive one-sixteenth of the estate; the Westminster Presbyterian church, the First Baptist church, the Calvary-Baptist church, the Trinity Methodist Episcopal church south; each of which will receive one-thirty-second of the estate. One thirty-second of the estate is bequeathed to the home and foreign missions reserve fund of the First Christian church.

One-sixteenth of the estate is bequeathed to El Paso county to be used in its struggle against tuberculosis, provided that no part thereof is to be used for salaries. The fund is to be used for equipment. One-sixteenth is bequeathed for the establishment of a philanthropic co-operative hospital in the city of El Paso. One-sixteenth of the estate is to be used for a home in El Paso for aged gentilefolk of both sexes. The sixteenth of the estate bequeathed to the Y. W. C. A. is estimated at about \$3500, but as the property is constantly increasing in value, this sum may be increased. A rising vote of thanks was given by the board in recognition of the gift. Mrs. H. R. Bowie, the president, presided at the meeting. Mrs. D. H. Huffaker served as secretary. In place of Mrs. W. H.

Pickels, who was ill and unable to attend the meeting.

**The Financial Report.**  
Mrs. H. B. Durkin gave the treasurer's report. This month closes the fiscal year of the association and a comparison of the expenditures with the estimated budget, which was raised last year, was given. The expenses have been met by the estimates in all departments but the membership and the boarding home. The membership allowance was based upon securing 1000 members, which was not accomplished. The boarding home has needed extensive repairs and a tennis court has been laid out upon the lots adjoining the home, consequently the funds from the boarding home have been materially decreased.

**Recommendations Made.**  
Mrs. Laura Penwell, the chairman of the members council of the association and a new member of the board, made a number of recommendations from the members council. She requested that the partition between the cafeteria and the gymnasium be removed, enlarging the space for both rooms, relieving the congestion at the noon hour and also enlarging the auditorium capacity of the association rooms for entertainments and large meetings. The board was favorable to this recommendation. Mrs. Penwell also requested that quicker service be given for the business women at the steam table of the cafeteria and the board agreed to attend to this. Mrs. Penwell announced the plans of the members' council for the Y. W. C. A. circus as a summer attraction and member getting party to be given on January 7, in the central rooms.

**Two Girls Reached.**  
Miss Gail Lane, the general secretary of the association, reported the organization of the national board. Miss Taylor, of the national board, Miss Taylor praised the organization of the association, in the machinery of its committees and executive body, for reaching the association for not reaching a larger number of girls and young women compared with the population of the city. Miss Lane urged that the board members keep themselves better informed upon general association work through the country. She spoke of the work expected from the members' council and the efforts that they will make to undertake to bring the Y. W. C. A. to the interest of a larger percentage of the young women of the city.

**Gymnasium Work.**  
Mrs. D. H. Huffaker reported for the physical department that there were four gymnasium classes being conducted by Mrs. H. R. Bowie, the physical director. These are the normal classes for the playground teachers, the regular class, the Berneise class and the children's class. The children will have an especial feature in the circus. The report of the education department, which spoke of two Spanish classes meeting twice a week, a weekly class in first aid to the injured, and a new work class, Spanish, Monday afternoon, when free instruction was given by Mrs. Albion A. Jones in needlework, embroidery, tatting, lace making, crocheting and other kinds of fancy work. The weekly story hour for these children is conducted Saturday morning after the gymnasium class, with Mrs. J. E. Fincher as the story teller.

**New Bible Study Class.**  
The religious department work reported a new Bible study class formed at the East El Paso Baptist church, which requested an instructor from the association and Miss Florence Durkin was sent. The class will be held every Thursday. The other Bible classes are the Wednesday supper seminar, which is held at the boarding home by Miss Gail Lane and the Sunday Bible class of which Miss Florence Durkin is the teacher. It was reported that 25 people attended the Bible classes of which Miss Florence Durkin is the teacher. It was reported that 25 people attended the Bible classes of which Miss Florence Durkin is the teacher. **To Sing Christmas Carols.**  
On the day before Christmas at noon there will be a program of Christmas music and carols, given continuously during the noon hour in which some of the leading musical people of the city will participate. Mrs. H. R. Stevens.

reported for the employment bureau, which is conducted by Miss Lena Eichacker. During the month positions have been secured for 19 women, 11 in household work, four in day work, one for general office work. There were 32 firms applying for workers and 21 people applying for positions. The difficulty lay in the insufficient training of the people applying for work preventing them from filling the positions open. The rooms to rent of the association have been completely exhausted as all have been rented and 13 requests for rooms were received, which could not be supplied on this account.

**Travelers' Aid Work.**  
The travelers' aid at the union station, Mrs. L. C. Egan, reported that she had given general information, advice and assistance to 242 people, during the month. This includes a number of children traveling alone and also quite a bit of financial aid was given. Mrs. J. J. Potter reported for the camp fire circles.

Harrison Hann, vice president of the Foster bureau, is here to investigate the tourist field around El Paso and to announce the office, as soon as peace is restored in Mexico, the office will be opened and much of the company's tourist business routed through El Paso. Another office is to be opened in Mexico City.

**TODAY'S AMUSEMENTS**  
"CHIMMIE FADDER OUT WEST."  
In July last the Alhambra exhibited the first Chimmie Fadden feature with Victor Moore playing the name part. This was one of the best comedies ever brought to El Paso and is vividly remembered by those fortunate enough to have seen it at that time. So successful was this feature that the Lasky Photoplay company engaged Mr. Moore's services for a long time and now announces another of these great comedy-dramas under the title of "Chimmie Fadden Out West," a production that is said to be far more humorous than its predecessor. Victor Moore is a comedian, one of the best in the country, a comedian who does not have to resort to rough methods to create a humorous part, but who succeeds by reason of his personality. He was first known some 10 years ago as Kid Burns in George Cohan's "45 Minutes From Broadway." The Alhambra management personally vouches for the merits of this feature and warns all lovers of brilliant, clean and snappy comedy-drama not to miss "Chimmie Fadden Out West" in at the Alhambra today.—Advertisement.

**"FATHER AND THE BOYS" TODAY**  
The popular musical comedy star, Digby Bell, in George Ade's funniest play, "Father and the Boys," will be seen at the Bijou today only.
